WHY ARE AMERICAN MARINES IN LEBANON?

James H. Madole

The military invasion of Lebanon and Jordan by American and British troops has completely destroyed Western prestige in the Middle East and driven the entire world to the flaming brink of atomic devastation. No self-respecting Arab ruler can align himself with the United States while American Jews are permitted to pour \$150,000,000 per year in tax-deductible funds into the coffers of the Israeli war machine. The Arab people also know that the United States Government has supplied \$556,000,000 in direct financial aid to the state of Israel during the last ten year period. One million Arab refugees know that America is directly responsible for keeping alive the Israeli nation which murdered and robbed 800,000 of their friends and kinsmen in 1948. America supports financially the nation which seized their homes, confiscated their bank accounts and drove them into the barren deserts surrounding Palestine where they have been forced to dwell in ragged tents for ten long years. DO WE DARE WONDER WHY THEY RESENT AMERICANS IN THE ARAB LANDS? If our slimy politicians would stop coddling Jews and accepting their gifts and favors, as in the disgusting exhibition of Sherman Adams and Bernard Goldfine, American prestige would increase throughout the entire world.

If King Hussein of Jordan and President Camille Chamoun of Lebanon are so unpopular with their own Arab people that foreign mercenary troops must be imported to suppress the ambitions of the Jordanian and Lebanese people toward the goal of Arab unity, how will this act of violent suppression affect American prestige in the entire Moslem World? Instead of forcing Arab nationalism into the open arms of the Kremlin, as Eisenhower and his Jewish policy-makers are now doing, Americans should demand that our government jettison all further support for the bandit-state of Israel and adopt an immediate policy of friendship and mutual understanding with President Nasser of the United Arab Republic. President Nasser now holds a position similar to that of George Washington during the great American Revolution against British imperialism when our national hero united the militarily weak American colonies against the military strength of the British Empire and its Hessian mercenaries. It might be added that the Hessian mercenaries were on the North American continent at the specific request of King George of England for the purpose of putting down a rebellion just exactly as American marines and British soldiers are in Lebanon and Jordan at the request of President Chamoun and King Hussein to suppress the nationalist aspirations of their own people. President Nasser may also be compared to George Washington in the sense that Nasser and Washington both ruled their respective nations by unanimous consent of their people and WITHOUT OPPOSITION POLITICAL PARTIES AND CANDIDATES. If Nasser can be called a military dictator so can George Washington.

In regard to Russian influence in the Middle East, it should be pointed out that native Communist political organizations have been outlawed in every Middle Eastern nation except Israel. Nasser sought arms from Soviet Russia only after he had negotiated for three years without success in Washington. WHY DOES THE AMERICAN "FREE PRESS" NOT MENTION THE FACT THAT ISRAEL BOUGHT ARMS FROM THE SKODA MUNITIONS WORKS IN RED CZECHOSLOVAKIA WITH AMERICAN DOLLARS DURING THE ARAB-ISRAELI WAR OF 1948? Obviously American editors prefer to condemn the United Arab Republic as being pro-Communist while keeping silent about the actions of Israel because the major source of advertising revenue for American newspapers is concentrated in the hands of Jews,

not Arabs or American Gentiles. Once more we find that democracy may best be defined as government of the Jews, by the Jews and for the Jews.

Should American troops continue to occupy positions in Lebanon we can look forward to the same kind of costly and endless guerilla warfare which has decimated the French in Algeria and Indo-China. Russia can sit on the side-lines and watch us slowly bleed to death. Eisenhower, obeying the orders of Roosevelt and his Jewish New Deal regime, ordered American troops to pull back from Eastern Germany and Czechoslovakia in 1945 thus placing Soviet Russia on a line running from the Elbe River to the Adriatic Sea. SHALL WE NOW PERMIT THIS SENILE TOOL OF AMERICAN ZIONISTS TO HAND OVER THE WHOLE MIDDLE EAST TO KHRUSHCHEV AS A GIFT? We can win Nasser's friendship if we stop supporting Israel. AMERICANS AWAKEN OR FACE DESTRUCTION AS A WORLD POWER.

THE SINISTER FORCES BEHIND PREMIER CHARLES DE GAULLE.
James H. Madole.

The collapse of the Vichy Government led by Marshal Philippe Petain after World War II marked the end of French nationalism. Petain had dared to pass laws which curtailed the economic and political power of French Jewry but with the defeat of National Socialist Germany and the imprisonment of Marshal Petain, the hero of Verdun in World War I, all barriers to the Jewish control and exploitation of the French nation collapsed at one blow. The Jews set up machinery, in the style of the Nuremberg Trials, for the legalized butchery of all French patriotic leaders who had supported the Vichy regime. Pierre Laval when led to the scaffold to face execution said of his misled French persecutors, "May God forgive them for they know not what they do". The French people, brainwashed by years of Jewish propaganda though they were, refused to let French Jewry lynch their former leader and war hero, Marshall Philippe Petain. He was thrown into prison to rot after his name had been slandered throughout the world by the paid zealots of the Jewish Press.

The French sank into a state of apathy following World War II. They forgot the militant spirit of the proud French grenadiers who served under Napoleon Bonaparte and the earlier glories of the French Empires of Charlemagne and the Bourbon Kings. French soldiers no longer had anything to fight for under their Jew-ridden Fourth Republic hence German mercenaries and American dollars were called upon to do their fighting for them. Over 46,000 hired German soldiers died in the "French" Foreign Legion during the Indo-China War (1945-1954).

The defeat of France by Ho-Chi-Minh's Red guerillas in the jungles of Indo-China led to renewed and quite justified demands by the Moslem population of French Algeria for their freedom from alien rule. Paris had seen at least 25 different governments collapse since 1945. Each of these parliamentary regimes were packed with Jewish radicals whose pro-Zionist sentiments hopelessly antagonized the entire Moslem population of French North Africa. In addition there were racial, social and religious differences between the people of North Africa and European France which could never be reconciled. North Africa belonged to the Moslem World and yearned for the Pan-Arabic aspirations whose spiritual and political center was in Cairo, Egypt. France, like America and Great Britain, is ruled by Zionist interests. Premier De Gaulle, the new "saviour of France" is merely a French rendition of President Eisenhower. When the French Fourth Republic with its parliamentary government became so corrupt that even the lowliest street-sweeper no longer had faith in it, a French military hero was called upon to save France from oblivion. Just as Eisenhower was nominated to replace Truman and his Democrats so De Gaulle was appointed to satisfy the French Army. Both Eisenhower and De Gaulle ARE IN THE SERVICE OF THE SAME ZIONIST JEWS WHICH CORRUPTED BOTH THE AMERICAN AND THE FRENCH REPUBLICS. To prove that the same Zionist gang rules France now as ruled under the Fourth Republic we shall examine the names and backgrounds of some of the Jews who ruled France in the period (1945-1955).

How many years did the De Gaulle government last several years before its fall.

Notice how many were prominent in the De Gaulist Party several years before he assumed absolute power. EVERY MAN LISTED HERE IS A JEWISH RADICAL AND A FRIEND OF ISRAEL.

1. LEON BLUM - the chief architect of socialism in France. He was the head of the French government in 1936 when he threatened to send French troops across the Spanish border to fight against the Spanish nationalists of Franco. Since then Blum has held the post of Prime Minister and several of the most important posts in finance and economics.
2. RENE MAYER - a Jewish radical who represents Rothschild banking interests in France. He held a Cabinet Minister's position many times and in 1955 became Chairman of the Higher Authority of the European Iron and Steel Community.
3. JULES MOCH - a Jewish socialist, many times a Cabinet Minister and in 1955 he represented France on the Disarmament Sub-Committee of the United Nations.
4. DANIEL MAYER - a French socialist of Jewish race, Minister of Labor in Blum's government of 1947. He became president of the Foreign Affairs Committee of the French National Assembly in 1954.
5. HERVE ALPHAND - a Jewish commercial expert, served on many international commissions for France.
6. Maurice Schumann - a French Jew who professes that he was converted to Catholicism, Chairman of the M.R.P. or the French version of the Christian Democratic Party and editor of their newspaper, "L'AURORA". Was Foreign Secretary in 1951 and later became a French Premier. HE IS THE POLITICAL LINK BETWEEN THE VATICAN AND FRENCH ZIONISTS. The Christian Democratic Parties in France, Germany, Belgium and Italy are the political arm of the Roman Catholic Church in Europe. Schumann is the Jew with whom De Gaulle had to consult before he was permitted to assume dictatorial powers. DE GAULLE BECAME PREMIER ONLY AFTER SCHUMANN WAS ASSURED THAT ANTI-JEWISH ELEMENTS IN DE GAULLE'S PARTY WOULD BE SUPPRESSED.
7. JACQUES SOUSTELLE - a leading French Zionist who is known as "DE GAULLE'S RIGHT-HAND MAN". He was French Governor-General of Algeria in 1955. After being smuggled out of France during the recent power dual between De Gaulle and Premier Pflimlin, Soustelle set up the famed "Committee For Public Safety" in Algiers which paved the way for De Gaulle's rise to power. Soustelle is the head of the "France-Israel Friendship League".
8. A. MENTHOUX - a Jew who was De Gaulle's private secretary in 1955.
9. GASTON PALEWSKY - shadow advisor to De Gaulle and in charge of De Gaulle's finances in 1955. He was responsible for atomic energy research under the regime of the Jewish Premier Edgar Faure.
10. HENRI ULVER - a Jew who was Secretary of De Gaulle's party in 1955. He was also assistant Finance Minister under the Jewish Premier Edgar Faure. Later became Minister of Industry & Commerce.
11. PIERRE MENDES-FRANCE - the Jewish Premier under whose administration Indo-China was lost to the French. A former friend of Charles De Gaulle.
12. M. THOREZ - leader of the French Communists (a Portugese Jew)
13. ANDRE DIETHELM - Was De Gaulle Party Chairman in both Chambers of the French Parliament. He became Vice President of the National Assembly. Died in 1954.
14. GEORGE BORIS - the Barney Baruch of France who has advised Prime Ministers from Leon Blum to Mendes-France. He directs the newspaper, "La Lumiere", which has four Jewish editors.
15. DANIEL LEVI - FRENCH AMBASSADOR to INDIA in 1948, to Red Czechoslovakia in 1952 and to Japan in 1953.
16. ADMIRAL LOUIS KAHN - Chairman of NATO in 1952. Secretary-General of the French Armed Forces in 1950.
17. ROBERT HIRSCH - the Jewish Director-General of SURETE NATIONALE, in charge of all French police and espionage.
18. GENERAL JOSEPH KOENIG - Was Commander-in-Chief of the French Zone of Germany; Inspector of French forces in North Africa and Defense Minister for the Jewish Premier Edgar Faure.
19. VINCENT AURIOL - (a French Gentile married to a Jewess); former French President.
20. JACQUES DUCLOS - (a French Gentile married to a Jewish); Leader of the French Communist Party.

The above mentioned gravediggers of France are nearly all Zionists or Communists owing their primary loyalty to either Israel or Soviet Russia. Nearly all are members of the Jewish race. The two exceptions, Vincent Auriol and Jacques Duclos, are married into Jewish families. A great many of these men are supporters or leaders of the De Gaulle Party. De Gaulle is a very devout Roman Catholic and the political arm of the Vatican in Europe is the Christian Democratic Party headed in France by a Jew converted to Catholicism. Maurice Schumann. Before Premier Pflimlin would resign and permit De Gaulle to assume dictatorial power it was necessary for the "saviour of France" to have a long conference with Maurice Schumann. At this conference De Gaulle sold the honor of France in order to obtain power. Both the Roman Catholic hierarchy and French Zionism were appeased.

Roman Catholicism is a universal religious dogma which is basically hostile to all forms of racial or religious pride. Nations which accept this dogma are usually weak both militarily and economically as in the case of Italy, Spain, Portugal, Southern Ireland, Mexico and Poland. The clergy seeks to crush all scientific knowledge which might prove detrimental to clerical dogma and to promote an agricultural economy with a large, illiterate peasant population dominated by a devout, Roman Catholic aristocracy or oligarchy. The Dark Ages in Medieval Europe was the GOLDEN AGE of the Vatican. Premier Charles De Gaulle envisions himself as a medieval French aristocrat subservient to the Roman Church.

Maurice Schumann, the converted Jew, is the link between French Zionism and the Vatican. To prove the intent of the Vatican to support Zionist Israel against the resurgent Moslem religious drive of President Nasser we quote from the Zionist newspaper, "ZURICHER ISRAELITSCHE WOCHENBLATT", of March 22, 1957:

"The Vatican Radio said that Jesuits who have indirect contact with the Pope are sponsoring a forum for the Catholic Church expressing Israel's right to self defense. The Vatican, it goes on to say, is conscious of the destructive fanaticism of exclusive Islamic Nationalism, and has no sympathy for the oil millionaires who are sacrificing "the people of the Book". It concludes with the Pope advising Vice President Nixon on his return to Washington to use his influence in bringing about a just settlement between the Arab states and Israel".

To prove De Gaulle's support of French Zionism as well as his endorsement of the Papal policy of weakening Islamic nationalism, we now quote from "CANDOUR (THE BRITISH VIEWS-LETTER)" of June 13, 1958, an article entitled, "DE GAULLE AND WORLD JEWRY", by the renowned British journalist A. K. Chesterton:

"Certainly the messages of good will which have been passing between the various governments and De Gaulle show that his acceptance has been so general as to be suspicious. Here for instance is the "LONDON JEWISH CHRONICLE'S report of the Israeli reaction: "The Israeli Premier recalled also the attitude and help of the French people in the Arab-Israeli war and the development since then of the happy relations in all fields, which has led the people of Israel to feel strong anxiety during the recent crisis in France. Now that the crisis was over, Mr. Ben-Gurion expressed the hope that "eternal France will return to her former tranquillity, internal harmony, and her destiny of grandeur"....De Gaulle sent the following reply: "I thank you for the kind message which you have sent me and its expression of noble feelings. I salute the courageous Israeli nation with which France maintains solid links of friendship and shares identical spiritual ideals".

"Frenchmen can hardly find reassurance in this interchange, but the Muslim population of Algeria must regard it with stark horror. The "JEWISH CHRONICLE" further describes the auspicious circumstances which attend De Gaulle's return to power:

"The new French Cabinet includes a number of Ministers who have evinced friend-

ship for Israel and for the Jewish community. Prominent among them is the Minister of Justice, M. Michael Debre, who is of Jewish origin. His grandfather was the Chief Rabbi of Strasbourg. Also in the new government are M. Guy Mollet, a staunch friend of Israel, M. Pierre Pflimlin, who has often shown himself to be sympathetic to the Jewish cause, and M. Andre Malraux, who is closely associated with several Jewish and Zionist organizations. He has written a book on Israel and often campaigns for the Friends of the Hebrew University.."

"Anybody who supposes that De Gaulle has re-entered the political arena to rescue either France or Algeria from the clutches of the Money-Power would seem, to put the matter politely, more than a little optimistic."

WESTERN GERMANY, A SLAVE-COLONY OF ZIONIST IMPERIALISM. James H. Madole

Were six million Jews actually exterminated in German concentration camps during the twelve years in which Adolf Hitler ruled the Third Reich or is this gory tale merely the usual atrocity propaganda stirred up by all major participants in world conflicts? We must remember the horror stories fed to the American public in World War I concerning German soldiers spearing Belgian children on their bayonets and still other Germans who were allegedly engaged in the strange and unpleasant task of hacking off the breasts of young Belgian women. These ridiculous tales led to the actual lynching of several German-Americans in the Middle West and to economic boycott of stores owned by Americans of Germanic descent in the United States. When the war ended both sides were forced to admit that these war-time atrocity stories were merely designed to stir up the masses and increase hatred toward a war-time enemy.

The Jews, however, have found it extremely lucrative to maintain the gigantic swindle of atrocities committed by the German people against the Jewish race. Each year World Jewry forces Western Germany to pay the sum of \$110,000,000 in reparations to the state of Israel. The entire Israeli merchant marine was built by the sweat of German labor in West German shipyards. Foreign Jews who never resided in Germany can go to a German Compensation Court and apply for personal indemnification for alleged financial or property loss suffered by his alleged relatives during the Hitler regime. He will almost always have his claim honored because most of the official records were destroyed in the war and only judges favorable to Jewish claimants are permitted to serve on the Indemnification Courts. THIS LATTER FACT WAS STATED IN THE 1957 EDITION OF THE "AMERICAN JEWISH YEARBOOK". Thus Germany has become a vast slave labor camp in the service of its Zionist masters. German corporations are nearly all owned by foreign stockholders, a complete listing of whom is in the hands of the National Renaissance Party.

Let us examine the facts of history closely. The Jewish race has been hated, reviled and driven out of nearly every nation in the civilized world at one time or another. History records that the Jews were expelled from Great Britain in the 12th Century, from France in the 14th Century, from Spain and Portugal in the 16th Century and from Germany, Egypt, Syria and Iraq in the 20th Century. Now we understand that anti-Jewish feeling is even arising behind the Iron Curtain in Soviet Russia and her satellites. Obviously Adolf Hitler had no monopoly on anti-Jewish sentiment. WHY WERE THE JEWS HATED IN PRE-HITLER GERMANY? WAS THERE ANY JUSTIFICATION FOR HITLER'S VIOLENT ATTACKS ON THE JEWS? We shall study the official German government documents turned out by the Fichte Bund to find the answer to these important questions. These documents show a marked similarity between events in the pre-Hitler Weimar Republic and events in modern America:

FROM "THE TRUTH ABOUT THE JEWS IN GERMANY" (by Fichte Bund):

"Owing to her geographical situation, Germany has always attracted to herself a larger proportion of the flood of Jewish emigration from the East than any other country. Up to the early part of the 18th Century legislative provisions prevented the Jewish immigrants from exercising any influence upon conditions in Germany. When these were repealed the Jews were enabled to enlarge their hold upon the econ-

C2-83296-248

omic, political and spiritual life of the country to an ever increasing extent; and although their advance was slow, it was also exceedingly steady. No change took place in this situation until the close of World War I. At that time some 600,000 Jews were resident in Germany, which equals 1% of the total population. In the neighboring country of Poland there were another THREE MILLION of them, forming 10% of the Polish population."

"After the war had terminated, the distress prevalent in Eastern Europe, induced large numbers of Jews to cross the German frontiers and take up their residence in Prussia, where a Mr. Badt--himself a Jew, managed to obtain an official position enabling him to control all matters relative to immigration and naturalization. He saw to it that his co-racials secured easy access to the country, while during this same period the Western European nations were imposing far-reaching restrictions on immigration. Thus Jews who had entered Germany from the East found it impossible to move farther West. They began to concentrate in the big German cities and organized from there the systematic disintegration of the German people. A few statistics may be helpful to show the extent to which these alien residents gradually succeeded in spreading their influence upon important professions and in various allied domains. Bear in mind Jews constituted only ONE PERCENT of the population:

PROPORTION OF JEWISH UNIVERSITY TEACHERS:

1. UNIVERSITY OF DRESDEN (1932)
Faculty of Arts---25% Jews Faculty of Law---48% Jews
Faculty of Medicine---45% Jews
2. UNIVERSITY OF GOTTINGEN (1928)
Faculty of Mathematics & Natural Science--23% Jews
Faculty of Medicine---34% Jews
Faculty of Law---47% Jews

PROPORTION OF JEWISH ATTORNEYS-AT-LAW

- | | |
|--------------------------|---------------------------------|
| 1. DORTMUND---29% Jews | 5. STETTIN---36% Jews |
| 2. HAMBURG---25% Jews | 6. KARLSRUHE---40% Jews |
| 3. STUTTGART---26% Jews | 7. BEUTHEN---60% Jews |
| 4. DUSSELDORF---33% Jews | 8. FRANKFORT-ON-MAIN---64% Jews |

JEWISH INFLUENCE ON THE GERMAN THEATRE & FILM INDUSTRY:

"In 1931 some statistics relative to the conditions in the theatrical world were published. Out of the 234 theatrical managers concerned, 50.4% were Jews. As regards Berlin theatres only, the corresponding proportion was 80%. Not less than 75% of all the plays performed during the years immediately preceding the advent of the Hitler Government were written by Jewish authors."

THE JEWISH ELEMENT ON THE STOCK EXCHANGE:

"The proportion of Jews on some of the committees of the Berlin Stock Exchange was:

1. STOCKS and SHARES -- 69% Jews
2. PRODUCE EXCHANGE -- 75% Jews
3. INTERNAL ADMINISTRATION -- 80% Jews
4. METAL EXCHANGE -- 83% Jews
5. BUSINESS IN "FUTURES" --83% Jews
6. OFFICIAL LIST OF STOCKS & SHARES -- 87% Jews

THE JEWISH ELEMENT IN GERMAN POLITICS (1919-1933):

"The Jews devoted particular attention to the task of winning over the masses of the German workers. In doing so, they achieved considerable success through the instrumentality of the Marxist doctrine, set up originally by the Jew, Karl Marx. Another Jew, Ferdinand Lassale, was the founder of the Social Democratic party. The founders of the Independent Socialist party were also Jews, and so were the leaders

of the German Communist party. Jews were represented on the official press bureaus, on the editorial chairs of the papers published by the political parties and, above all, in the various parliaments of the German States. In 1928, the Social Democratic party was entitled to 39 representatives in the committee of the Reichstag; 38 of them were Jews. As regards the lecturers in the Workers' Educational Institutes, 81% of them were Jews. The "DAILY MAIL" (a London newspaper), in its issue of July 10, 1933 stated:

"The German nation, moreover, was rapidly falling under the control of its alien elements. In the last days of the pre-Hitler regime there were twenty times as many Jewish government officials in Germany as had existed before World War I. Israelites of international attachments were insinuating themselves into key positions in the German administrative machine."

WE CONTINUE QUOTING FROM THE FICHTE BUND DOCUMENT: "The more the Jews were able to extend this advance by their skillful machinations, the more was the German people infected with the Communist virus, which was mainly introduced by the Jewish immigrants. At the same time the foundations of economic morale were sapped. The ordinary conceptions of commercial honesty were undermined by the dishonest and fraudulent methods extensively employed by Jewish profiteers. Bribery, corruption and immorality continually gained ground in public life, causing the moral disintegration of the whole people. The setting fire to the Reichstag building in February, 1933 was intended to serve as the signal for the Jewish-Bolshevist revolution carefully prepared for years. At that time the fate of the German people was literally in the balance; and it is due to Adolf Hitler that a calamity was averted that would have involved Germany in an agony of misery."

"Sworn enemies of the German people pretend to infer from the statistics published above that the Jews exceed the Germans in ability. As regards their ability to push themselves forward, this assertion is certainly correct. The Jews possess a pronounced racial egotism. If the Germans had always stuck together as firmly as the Jews do, these conditions could never have arisen

(END OF FICHTE BUND DOCUMENTATION)

We find that Jewish penetration of American political, economic and cultural life runs a close parallel to the description of life in the Weimar Republic prior to the advent of the Hitler regime. Were the German Jews really murdered by the Nazi Government or have the big Jewish organizations concocted the most colossal swindle in the history of the human race? We shall let the Jews, themselves, tell us what happened to the bulk of German Jewry, numbering less than 600,000 when Hitler rose to power in 1933. We quote from the Jewish newspaper, "JUDISCHE WOCHENSCHAU", of Buenos Aires, Argentina, the issue of September 16, 1955.

"The following is a breakdown of Jewish emigration from Germany during the Hitler period:

- | | |
|---------------------------------------|--------------------------------|
| 1. United States -- 200,000 Jews | 7. Australia -- 12,000 Jews |
| 2. Israel or Palestine-- 120,000 Jews | 8. South Africa -- 10,000 Jews |
| 3. Great Britain -- 50,000 Jews | 9. France -- 8,000 Jews |
| 4. Argentina -- 40,000 Jews | 10. Uruguay -- 6,000 Jews |
| 5. Brazil -- 17,000 Jews | 11. Belgium -- 4,000 Jews |
| 6. Chile -- 15,000 Jews | 12. Sweden -- 3,000 Jews |

In addition to the figures for emigration of German Jews listed above, at least 23,000 Jews lived throughout the war in Nazi Germany. In late 1944 the Jews of Warsaw, Poland, fully armed with modern war material, launched an offensive against Nazi troops who were holding the Vistula River line against the onrushing Soviet Army. At least 70,000 Jews and Polish partisans were killed in this battle. The Jews were led by the Polish partisan commander, General Bor. HOW COULD THESE JEWS HAVE BEEN EXTERMINATED DURING 5 YEARS OF NAZI RULE IN POLAND WHEN THEY WERE ABLE TO LAUNCH A FULL-SCALE MILITARY OFFENSIVE AS LATE AS 1944?

Although the Hitler regime restricted Jewish dominance in German political and professional life there was no massacre of Germany's Jewish population. At the end of hostilities we found the same old Jewish leaders and agitators trooping back to continue their interrupted exploitation of the German people. The Jews decided to punish, if not totally destroy, the German people for exposing their vicious activities to the world. We now quote from the book, "GERMANY MUST PERISH", by Theodore Kaufman (pgs. 86-88):

"There remains now but to determine the best way, the most practical and expeditious manner in which the ultimate penalty must be levied upon the German nation. Quite naturally, massacre and wholesale execution must be ruled out. There remains then but one mode of ridding the world forever of Germanism--and that is to stem the source from which issue those war-lusted souls, by preventing the people of Germany from ever again reproducing their kind. This modern method, known to science as Eugenic Sterilization, is at once practical, humane and thorough. The population of Germany is about 70,000,000 almost equally divided between male and female. To achieve the purpose of German extinction it would be necessary to only sterilize some 48,000,000--a figure which excludes, because of their limited power to procreate, males over 60 and females over 45....Of course after complete sterilization, there will cease to be a birth rate in Germany. At the normal death rate of 2% per annum, German life will diminish at the rate of 1,500,000 yearly...The consequent gradual disappearance of the German from Europe will leave no more negative effect upon that continent than did the gradual disappearance of the Indians upon this. A detailed program of the manner in which the outraged victims of Germanic onslaught might make certain that Germany leaves no gap might be put hypothetically:

1. Immediately and completely disarm the German Army and have all armaments removed from German Territory.
2. Place all German utility and heavy industrial plants under heavy guard, and replace German workers by those of Allied nationality.
3. Segregate the German Army into groups, concentrate them in severely restricted areas, and summarily sterilize them.
4. Organize the civilian population, both male and female, within territorial sectors and effect their sterilization.
5. Divide the German Army, after its sterilization has been completed, into labor battalions, and allocate their services toward the rebuilding of those cities which they ruined.
6. Partition Germany and apportion its lands.
7. Restrict all German civilian travel beyond established borders until all sterilization has been completed.
8. Compel the German population of the apportioned territories to learn the language of its area, and within one year to cease the publication of all books, newspapers and notices in the German language, as well as to restrict German-language broadcasts and discontinue the maintenance of German language schools.
9. Make one exception to an otherwise severely strict enforcement of total sterilization, by exempting only those Germans whose relatives, being citizens of various victor nations, assume financial responsibility for their emigration and maintenance and moral responsibility for their actions."

Was Kaufman's fiendish plan for the complete extermination of the Germanic people the mere ravings of a Jewish crackpot or was it the implementation of actual policies drawn up by World Jewry? Let us study the reaction of the American press to this deliberately planned genocide.

2. "WASHINGTON POST" (owned by the Jew, Eugene Meyer)-"a provocative theory--interestingly presented"
3. "TIME MAGAZINE" (owned by the Luce family)-"A SENSATIONAL IDEA".

General Eisenhower, the tool of Franklin D. Roosevelt and Barney Baruch, was called upon to carry out a systematic plan to destroy Germany. We quote from page 2637-38 of the booklet entitled, "INTERLOCKING SUBVERSION IN GOVERNMENT", published by the Government Printing Office in 1956:

"On August 7, 1944, at approximately 12:35 P.M., in a tent in Southern England, the Morgenthau Plan was born. Actually, it was General Dwight D. Eisenhower who launched the project..Eisenhower made the statement that actually sparked the German hardship plan. He said he thought the Germans had punishment coming to them: "the ringleaders and the SS troops should be given the death penalty without question, but punishment should not end there." He felt the people were guilty of supporting the regime and that made them a party to the entire German project, and he personally would like to "see things made good and hard for them for a while." He pointed out that talk of letting Germany off easy, after taking due care of the top people, came from those who feared Russia and wanted to strengthen Germany as a bulwark against any desires for expansion which Russia might some day have. On the other hand, he (Eisenhower) did not personally think that Russia would want anything "BECAUSE SHE NOW HAS ALL SHE CAN DIGEST, AND SHE HAS PROBLEMS OF HER OWN WHICH WILL KEEP HER BUSY UNTIL LONG AFTER WE ARE DEAD."

The plot to physically destroy the Germanic people should surprise no one who is familiar with the atrocities committed by Jewish Zionists against the British during the Palestine Mandate and the later slaughter of 800,000 Palestine Arabs by the Israeli Army. The German people have become human robots using their scientific and industrial genius to enrich and strengthen the state of Israel. They live under the whiplash of Zionist taskmasters and their wages are siphoned off in the form of taxes and a high cost of living which dwarfs even our own misery in the United States. IS ANTI-JEWISH FEELING JUSTIFIED BY WORLD HISTORY?

The record of history proves conclusively that the Jews, more than any other racial or religious group, have been reviled, hated and driven out of nearly every Gentile nation, both civilized and uncivilized, both Christian and Moslem, during the period of recorded history. History records that the Jews were expelled from Great Britain in the 12th Century, from France in the 14th Century, from Spain and Portugal in the 16th Century and from Germany, Egypt, Syria and Iraq in the 20th Century. Now we even hear of anti-Jewish sentiment arising behind the Iron Curtain in Red Poland and Soviet Russia. Is anti-Jewish feeling always the fault of the Gentile majority or could the activities of the Jewish minority within the Gentile nations be responsible?

For nearly 2000 years the Jewish race has chosen to live as a "state within a state", refusing to become assimilated into the Gentile environment in which they live. They have accumulated great wealth and power from their Gentile host-nations in Europe and North America but they have used this power and wealth to increase the stranglehold of World Jewry on the political life, national economy, real estate and natural resources of the Gentile peoples. Thus while the World Jewish Community has grown fat and prosperous, the Gentile nations are being slowly bled white and pauperized. The Jew has promoted the doctrine of Zionism which compels all its adherents to swear their primary loyalty to the state of Israel, thus making all Zionist Jews a dangerous Fifth Column within the boundaries of Gentile nations.

American foreign policy has become completely subservient to Zionist dictates. During the British Mandate in Palestine the Zionist Jews conducted a merciless reign of terror against both the British and Arab population of the Holy Land. On November 6, 1944, Lord Moyne, the British Minister of State for the Middle East was shot down in cold blood in a Cairo street by members of the Jewish Stern Gang. Later Count Bernadotte of Sweden was murdered in exactly the same manner by the Irgun Zvai Leumi, a Jewish terrorist society. On July 22, 1946 the Jews blew up the King David Hotel in Jerusalem killing 92 British men, women and children. THE AMERICAN PRESS, UNDER PRESSURE OF ITS JEWISH ADVERTISERS, URGED AN AMERICAN BOYCOTT OF ALL BRITISH BUSINESS FIRMS UNTIL ENGLAND WOULD BE FORCED TO TURN PALESTINE OVER TO THE JEWS. When Great Britain finally abandoned Palestine to the Jews a reign of terror was instigated during which 800,000 Palestinian Arabs were murdered and 1,000,000 Arabs were driven into the deserts surrounding Palestine to starve. Their homes, bank accounts and herds of cattle were confiscated by the Israeli State. AMERICA, UNDER THE TRUMAN GANG, RECOGNIZED THIS LEGALIZED ROBBERY WITHIN FIVE MINUTES AFTER ISRAEL WAS OFFICIALLY ESTABLISHED. No wonder the Afro-Asian people distrust the American government.

The book "GERMANY MUST PERISH" by Theodore Kaufman, pages 87-88 explains as follows how the Jews planned to systematically destroy the population of Germany:

"There remains now but to determine the best way, the most practical and expeditious manner in which the ultimate penalty must be levied upon the German nation. The population of Germany is about 70,000,000, almost equally divided between male and female. To achieve the purpose of German extinction it would be necessary to only sterilize some 48,000,000--a figure which excludes, because of their limited power to procreate, males over 60 and females over 45. Of course after complete sterilization, there will cease to be a birth rate in Germany." This fiendish Jewish plan was endorsed by the "NEW YORK TIMES" and "WASHINGTON POST" both Jewish periodicals.

Los Angeles files likewise disclose no information concerning FREDERICK JOHN KASPER and JESSE B. STONER not known to the Bureau and the offices of origin.

It has, of course, been brought to this office's attention in the past few years that literature issued by certain of the above organizations, namely, the Christian Educational Association, the Christian Patriots Crusade, the National Citizens Protective Association, and the National Renaissance Party (most commonly the first mentioned), has been distributed, usually by unknown persons via mail and under circumstances indicating no effort to organize branches in the Los Angeles area.

The literature concerning the National Renaissance Party has been invariably small, poorly done, mimeographed leaflets discovered during the past year inserted between the pages of books in school and public libraries in the Los Angeles vicinity, alluding to no local address or activities but attempting to interest the reader in subscribing to the organization's "Bulletin."

Of possible interest is a news article that appeared in the Los Angeles "Mirror News" dated January 18, 1955, which mentions that the National Renaissance Party had come to the attention of the House Committee on Un-American Activities, which had, in a report on "hate groups", stated one JAMES R. WHITE, billed as an "organizer" for the NRP in Los Angeles, had been a guest speaker at a meeting of the NRP in Yorkville, New York, on June 26, 1953; that WHITE had allegedly organized a fully uniformed group "in his city" and had distributed thousands of copies of the NRP's "Bulletin." The article suggested the House Committee had given WHITE "unduly high notice," adding that "whatever activities he may have engaged in for the NRP in the past now are pretty much discontinued," and that in any event WHITE had departed Los Angeles to attend the Hastings School of Law in San Francisco. In connection with this news item, it is interesting that none such mentioned activities on WHITE's part had previously come to this office's attention, and presumably were greatly exaggerated, if not total falsehoods.

The following is submitted for the Bureau's consideration in regard to the organizations mentioned in rebuairtel as existing in the Los Angeles area, along with two others which, file reviews show, fall in the category of "hate" mongers:

CHRISTIAN NATIONALIST CRUSADE, aka
(Bufile 62-43818)

The CNC continues to maintain its mailing headquarters in Glendale, California and is, along with its various "paper" auxiliaries, the media through which GERALD L. K. SMITH, aided by a staff of associates of long standing [REDACTED]

[REDACTED] Dr. WESLEY SWIFT, and [REDACTED], maintains the publication of racially biased propaganda and preserves his following through personal appearances at meetings held in Los Angeles and sometimes in the course of tours across the country.

SMITH and his organizations have been the subject of continuous investigation by the Bureau for many years until as recently as last year. He has not been found to advocate that his followers engage in violence of any kind, or that violence be involved in the solution of any of the problems he presents to his audiences and readers.

CS [REDACTED] who has maintained an active interest for years in SMITH (and the CNC) in view of his frequent

meetings at the Embassy Auditorium in Los Angeles, stated on October 20, 1958, that SMITH and his associates, including the former California Klan leader, Rev. WESLEY SWIFT, have never committed themselves to a course of violence. He said that SMITH's organizations are not membership organizations but are only "paper" organizations, and thrive on the sale of literature, almost entirely of SMITH's own production, and the contributions from his audiences at meetings and others who approve the tenor of his literature and accede to his frequent appeals for funds. (His CNC, as a "national political committee" makes regular reports to Congress under the Federal Corrupt Practices Act, listing the names of those who contribute over \$100.)

He stated SMITH's activities are always open and aboveboard, and his character is such that were he to be approached by the authorities he would more than likely turn over the keys to his office, to the embarrassment of his interviewers. It is this openness, coupled with his unique oratorical and organizing abilities, and an excellent sense of discretion in relation to the legality of his movement, that has permitted him to endure as the pre-eminent public crusader of a "white Christian America." His continued success remains dependent on these considerations, and his being involved in any way with the illegal activities of violence, such as the bombings in the South, would be his downfall. In other words, he has too much to lose to involve himself in such activities.

CS [] said this conclusion likewise applies to his associates, including SWIFT, over whom SMITH exercises personal direction. Moreover, SWIFT is too intelligent a man to have not come to realize with the passing of time that the course most conducive to his own interests (if he ever thought otherwise) is one of avoiding similar involvement. CS [] added that SMITH reportedly expressed his serious concern that his organization might unjustly be blamed in some way for the recent bombings in the South.

[] Los Angeles Jewish Community Center, Los Angeles, California, who has likewise maintained an active interest for years in SMITH's organizations, in concert with other Jewish investigative organizations throughout the country, stated on October 20, 1958, that SMITH's primary interest is financial and that he is too intelligent to permit himself or his associates to bring about the ruin of his whole "racket" by involvement, direct or indirect, in violence such as the bombings in the South. He said he has not heard and does not believe that

a serious possibility exists that SMITH or his associates have any relation to the bombings.

[redacted] of the Los Angeles Sheriff's Office's Anti-Subversive Detail, [redacted] of the Pasadena, California Police Department, and [redacted] of the Glendale, California Police Department (on October 22, 1958) were able to furnish no information indicating that the above characterizations of SMITH and his organizations are not true. All the above sources stated that they have received no information indicating that anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of possible involvement in the recent bombings in the South.

"WILLIAMS' INTELLIGENCE SUMMARY"
(Bufile 105-10091)

Los Angeles files disclose ROBERT H. WILLIAMS has been engaged solely in the publication of his literature, and that there is no information that he has advocated violence in the solution of racial problems. He has, moreover, been interviewed by Special Agents on two or three occasions in the past and has always been cooperative.

[redacted]
[redacted] who has been reliably cooperative with Agents of this Office in security matters on several occasions, stated on October 23, 1958, that he has been acquainted with ROBERT H. WILLIAMS for some time in Santa Ana and that as long ago as 1957, WILLIAMS ceased publishing the "Williams' Intelligence Summary" under the name Williams' Publications, Post Office Box 868, Santa Ana, of which he was the sole proprietor. He said that WILLIAMS quit because his literature activities had never been remunerative; that WILLIAMS has since moved to Silverado, California, and is now the owner and manager of the Duplicard Addressing Machine Company, 1010 East Chestnut Street, Santa Ana. He explained that during the past few years WILLIAMS had been working on the side perfecting an invention (the Duplicard Addressing Machine) and that he has recently been able to incorporate and go into business on a full-time basis. He said that WILLIAMS now retains no connections with his past publishing activities; that he never had a membership organization or advocated violence in his writings, and has made no trips outside of California during the past couple years, and could conceivably have had no connection with the bombings in the summer.

CS [REDACTED] (above) both confirmed the statements that WILLIAMS is not known to have advocated violence in his articles, or to have been more than a publisher of his own writings on communism and subversive influences from an anti-Semitic point of view.

AMERICAN NATIONALIST
(Bufile 105-22921);

KEEP AMERICA COMMITTEE
(Los Angeles file 100-33703)

The American Nationalist (AN), Post Office Box 301, Inglewood, California, is the name under which FRANK L. BRITTON, 11146 Hawthorne Boulevard, Hawthorne, publishes (on an irregular basis) the four-page "The American Nationalist" and miscellaneous anti-Semitic and anti-Negro leaflets, replete with lurid photographs which he mails locally and allegedly to addressees in the southern states. BRITTON and the AN have been the subject of previous investigation by this Office in 1953 and again in 1956. At those times it was learned that BRITTON operates alone and is engaged solely in the sale of his own literature, making frequent appeals for subscriptions to his literature and donations to continue his efforts.

Referral/Consult

The Keep America Committee (KAC), Box 3094, Terminal Annex, Los Angeles, California, is, similarly, a name behind which Mrs. HELEN W. COURTOIS, 1405 Sutherland Street, Los Angeles, publishes literature, usually reprints of other "nationalist" literature. None of the various items that have come to this Office's attention advocates violence,

seeks membership or mentions organized activity, but only indicates that the particular items can be ordered in batches at a price from the KAC.

CS [] (above) both state that their organizations have been actively interested in BRITTON's AN and COURTOIS' KAC and have learned that the AN and KAC are not and have never sought to be membership organizations, hold no meetings and are operated solely by BRITTON and COURTOIS for the production of literature. They stated that neither is known to have advocated violence or to have been associated with anyone who has.

[] added that COURTOIS is a woman in her later 50's or early 60's. They stated that it is not conceivable that either BRITTON or COURTOIS have any connection with the bombings in the South and that neither has the ability nor the funds to engage in any activities outside the state, except for the mailing of literature.

[] of the Anti-Subversive Detail of the Los Angeles Sheriff's Office; [] of the Pasadena, California, Police Department; [] of the Glendale, California, Police Department, and [] of the Inglewood, California, Police Department (on October 22, 1958), were able to furnish no additional pertinent information concerning BRITTON and COURTOIS.

GENERAL

All of the above-mentioned sources stated they have received no information indicating anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of involvement in the recent bombings in the South.

Contact with security informants and all other logical informants and sources has been unproductive but has served to alert them to the importance of immediately forwarding information concerning persons or organizations possibly relating to bombings in the South to this Office. Contact with them will be maintained on a continuing basis.

RECOMMENDATIONS

It is recommended that no active investigation be undertaken in connection with the "Williams' Intelligence

Summary" in view of its discontinuance almost one year ago, and WILLIAMS' disassociation from his past activities, being presently absorbed in his new business. It is also considered, being "one-man" operations of a nonmembership type engaged in issuing literature, investigations of BRITTON's American Nationalist and COURTOIS' Keep America Committee are not warranted and would be ineffective in achieving the Bureau's primary purpose in these investigations; consequently, no active investigation will be conducted of these three organizations, UACB.

With regard to SMITH's Christian Nationalist Crusade: From investigation conducted in the past (until 1957), the continuing review of literature emanating from the CNC and the continuing attention it receives from local sources, a presumptive pattern has been established indicating that SMITH and his associates are not of such a radical nature as to present a potential for violence, except, of course, insofar as deep-seated, racial ill-feeling is engendered in some readers of his literature. In investigating SMITH and his associates to ascertain whether the above-mentioned presumptive pattern does not apply equally to their activities when outside of California, it would seem necessary to establish a source among SMITH's inner staff which, it is believed, would constitute a grave risk of embarrassment to the Bureau, because it is apparent that the interests of each associate is the interest of all. Other investigative steps, it is believed, could hardly achieve the primary purpose for initiating investigation.

The Bureau is requested to advise whether it desires the risk be undertaken, nevertheless, or whether it is thought a direct approach to SMITH and/or any of his associates, and for that matter BRITTON, WILLIAMS and COURTOIS, for any information they may have heard in connection with the southern bombings, is not warranted. SMITH may, in the past, have ridiculed the idea of the FBI investigating him and his organization(s), but it is not recalled that he has been critical of the Director or the FBI.

This Office will, in addition, review its files to identify certain individuals who may have participated in Klan activities years ago to establish their present activities and to determine if they might properly be considered within the Bureau's program.

[redacted] in October, 1958, made available a copy of a pamphlet entitled, "Who Is The Real Enemy?" According to [redacted] this pamphlet was being passed out in the Kew Gardens area. The pamphlet is stamped on the back "National Renaissance Party, 10 West 90th Street, New York 24, New York".

This pamphlet discusses the role Jews have played throughout history and makes the charge that the Jews are

making use of the Negro peoples to degrade Americans and to "form a trained-ape red Mau Mau army to protect the Jews in case you wake up before its too late". The pamphlet concludes that the real enemy in America is the Jewish peoples and that the enemy capital for many years has been New York and not Moscow.

[redacted] on October 17, 1958, made available a throwaway which he said was being distributed in the Forest Hills area. The back of this throwaway announces that more can be ordered from the NRP, 10 West 90th Street, New York 24, New York, at the rate of twenty-five copies for \$1.00. This throwaway is in comic strip form and tells the story of a white girl marrying a Negro boy. The result of the marriage according to the leaflet, was the birth of two children, one white and one black. The leaflet then goes on to show the embarrassing things this can bring about. The back of the leaflet is captioned, "Exposing the Perils of Racial Integration". Under this caption quotations are given from some leading statesmen, scientists and philosophers showing their viewpoints in regard to the "fundamental inequality of the Negro race". Quotations are included from ABRAHAM LINCOLN and THOMAS JEFFERSON.

On October 22, 1958, JAMES MADOLE was interviewed under a suitable pretext by a Special Agent of the Federal Bureau of Investigation, at which time MADOLE furnished copies of literature that he was passing out throughout the country in his role as leader of the NRP.

One of the items furnished by MADOLE was the August, 1958 issue of the NRP Bulletin. On its masthead this bulletin states that it is the official organ of the NRP devoted to a restoration of the American republic, a preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

This issue consists^{of} an article entitled, "Western Germany, A Slave Colony of Zionist Imperialism" by JAMES H. MADOLE. This article makes the charge that the Jewish people are attempting to dominate Western Germany and have engineered the weakening of Germany after World War II.

In a concluding paragraph the bulletin states as follows:

"The plot to destroy the Germanic people should surprise no one who is familiar with the atrocities committed by Jewish Zionists against the British during the Palestine mandate and the later slaughter of 800,000 Palestinian Arabs by the Israeli Army. The German people have become human robots, using their scientific and industrial genius to enrich and strengthen the State of Israel".

MADOLE also made available a copy of the pamphlet "Who Is The Real Enemy?", mentioned above. MADOLE explained that he distributes this pamphlet in an effort to recruit members for the NRP. MADOLE also made available the following items of literature he is distributing under NRP auspices:

1. A pamphlet entitled, "Communism and the NAACP". This pamphlet is published by the ~~Georgia~~ Georgia Commission on Education, 220 Agriculture Building, 19 Hunter Street, S.W. Atlanta 3, Georgia. The pamphlet outlines what it considers the Communist background of many of the national leaders in the National Association for the Advancement of Colored People (NAACP).

2. A pamphlet entitled, "Massacre of Arabs in Israel", by TOUFIQ ~~TOUBI~~. TOUFIQ TOUBI is identified on the pamphlet as a member of the Israeli Parliament. The pamphlet concerns itself with a "massacre perpetrated at the Arab village of Kafr-Quassem inside Israel on October 29, 1956, the day Israel launched its military attack on Egypt. The front of the pamphlet bears the stamp of the NRP.

3. A throwaway leaflet which is a biography of President GAMAL ABDEL NASSER of the United Arab Republic.

4. "Israel and the Arab States" by SYBIL EYRE ~~KOROW~~, published by the Iraqi Embassy, 21 Queens Gate, London S.W. 7. This pamphlet deals with the problems of settling more than a million Arab refugees. It bears the stamp of the NRP on its front.

5. An advertising throwaway captioned, "Arab Nations Support Egypt's Arms Deal". On the back this throwaway has the stamp of the NRP.

6. A booklet entitled, "Threats and Intimidations" compiled by the Egyptian Information Department, 22 Solomon Street, Cairo, Egypt. This booklet bears the stamp of the NRP on the front and deals with the intervention of the British and French Governments in Egypt, and an interpretation of Article 33 of the Charter of the United Nations (UN) with respect to that intervention in the Suez Canal area.

7. A pamphlet entitled, "The Policy That Invited Soviet Russia to the Middle East" by IZZAT ~~YANNOUS~~, MD. This booklet is originated by the Palestine Arab Refugee Office, 801 Second Avenue, Room 801, New York 17, New York. It also bears the stamp of the NRP. The bottom of this booklet states that the material has been filed with the Department of Justice where the required statement of the "Palestine Arab Refugee Office", registration number 897, is available for inspection. This booklet makes the point that "the Palestine tragedy which has made one million Palestinian Arabs homeless and destitute is at the root of the grave tension that prevails today in the Middle East".

The booklet also points out that the foreign policy of the United States in the Middle East had alienated the Arab people and compelled them to turn their faces to other directions. The concluding paragraph of this booklet states,

~~CONFIDENTIAL~~

NY 105-6112

"It is a fact that the failure of the United States to take the lead in the implementation of United Nations resolutions -- resolutions which were of the making of the United States and which only gave the Arab refugees a fraction of their rights -- has driven a large number of the Arab people to look East for their salvation. The Soviets seized the opportunity and the tug of war is now in progress between East and West".

MADOLE, when interviewed under pretext, explained that he is distributing pro-Arab literature since he agrees with the Arab position in the Middle East. He stated that he and his organization are anti-Jewish and they feel they will distribute pro-Arab literature since both he and the Arabs are working in the same direction. He also made the statement that he was distributing literature from the Iraqi Government.

GENERAL ACTIVITY

The records of the Bureau of Special Services of the New York City Police Department were checked on October 22, 1958, by SA [REDACTED]. They indicated a meeting was held at Steinway Hall, 113 West 57th Street, New York City, sponsored by CHARLES SMITH, publisher of the magazine "The Truth Seeker". This was in general a meeting of racists and most of the speakers were highly critical of the Jewish peoples. JAMES MADOLE spoke at this meeting as a representative of the NRP. His speech was entirely devoted to anti-Jewish statements. Plans were made for another general meeting at which MADOLE would be the principal speaker. This meeting was to be held on November 14, 1958, also in Steinway Hall.

b6
b7c

T-1, mentioned above, on October 20, 1958, advised that JAMES MADOLE, the leader of the NRP, attended a meeting on October 10, 1958, at Steinway Hall, sponsored by "The Truth Seeker", an atheistic group headed by CHARLES SMITH.

~~CONFIDENTIAL~~

In his speech MADOLE stated that the Jewish people were behind Communism. At the meeting SMITH announced that MADOLE would be the principal speaker at the next meeting of the group to be held on November 14, 1958. The informant advised that MADOLE evidently does not have any plans to hold public meetings of his own, but prefers to speak at meetings sponsored by "The Truth Seeker".

JAMES MADOLE, when interviewed under pretext as set forth above, stated that he did not plan any public meetings of the NRP since he found that people were afraid to associate themselves with the NRP after the United States Government had branded it "as subversive". He said that he found that he could go to meetings such as the one held at Steinway Hall and receive a better reception through this type of meeting than through one sponsored solely by the NRP.

MADOLE also stated that he does not hold any meetings in New York City of the NRP, with the exception of leadership meetings for leaders of the party which he holds in his apartment.

MISCELLANEOUS

T-1, mentioned above, on October 20, 1958, advised that in a discussion of the recent bombings of Jewish Temples MADOLE had stated that the persons behind these bombings were screwballs and were hurting the general nationalist movement. This source added that MADOLE has stated many times in the past that he does not want to get mixed up with any other groups. He also stated, according to T-1, that the NRP was opposed to violence.

MADOLE, when interviewed under pretext, stated that he was recently becoming involved in the segregation question because he felt that the Jews were behind efforts to have American schools integrated and that this integration would be harmful.

to the United States. MADOLE stated that he himself has never maintained any direct contacts with segregationists or similar type groups in the South and that he himself has never made a trip into the South nor does he plan one. He stated, however, that he would of course circularize his literature any place in the country. He stated that he has corresponded with leaders of the National States Rights Party in Louisville, Kentucky and elsewhere.

T-2 on July 1, 1958, furnished information indicating that on July 1, 1958, that JAMES MADOLE visited the United Arab Republic Delegation to the UN, 900 Park Avenue, and obtained a number of copies of a pamphlet entitled, "Ten Years" from [redacted] United Arab Republic Delegation to the UN. T-3 on October 24, 1958, advised that neither JAMES MADOLE nor the NRP maintain any permits for bulk mailings in the New York City area. This source also advised that MADOLE does not maintain a post office box in the New York City area.

The records of the New York Times Morgue, 42nd Street and Broadway, New York City, were reviewed by SA [redacted] on October 22, 1958, and no additional information concerning NRP activities is mentioned in these files.

[redacted] both tenants at 10 West 90th Street, New York City, which is the address of the National Renaissance Party (NRP) and JAMES MADOLE, its leader, appeared voluntarily at the NYO on 10/29/58, and were interviewed by SA [redacted]

They advised that JAMES MADOLE who resides at Apt. 8, 10 West 90th Street, for the past five weeks or so, has had people visiting him in his apartment and is apparently holding meetings there. [redacted] advised that they had overheard a conversation from MADOLE's apartment wherein one individual present in the MADOLE apartment discussed his own participation in the bombings in the South and said that he had been compensated for his work in these bombings. [redacted] is time advised that they could not identify the individual who made these statements.

On 10/30/58, [redacted] was interviewed at the NYO by SAS [redacted] and [redacted] stated that he became concerned on a racial issue when he read in the newspaper about certain bombings in the South. He recalled that about one week after reading of bombings in the newspaper [redacted] had told him that he overheard someone talking in MADOLE's apartment about his bombing in the South. [redacted] himself did not hear the conversation in question. [redacted] is unable to positively state the time of the conversation that [redacted] overheard, nor establish on what day of the week [redacted] overheard the conversation.

He did recall, however, that meetings were usually held in MADOLE's apartment on Thursday evenings and that these meetings seemed to have increased for about the last five weeks. It was [redacted] understanding that [redacted] did not see the man who made the statements in question, but told [redacted] that he had heard them through MADOLE's closed door.

b6
b7C

On 10/30/58, [redacted] was interviewed by SAS [redacted] [redacted] stated that about three weeks ago he became concerned over meetings that JAMES MADOLE was holding in his apartment immediately above that of the [redacted]. He said he originally thought that MADOLE was connected with some national rental association, but then later learned that this was the National Renaissance Party, a racist group. He noted that meetings in MADOLE's apartment happened with greater frequency in the last five weeks, and that MADOLE seemed to be very busy, and he assumed that this was in connection with the NRP.

b6
b7C

About three weeks ago, [redacted] recalled, there was a meeting in MADOLE's apartment and the conversation in connection with this meeting became loud and boisterous. [redacted] opened his door and stood in the hallway where he said he could hear the tenor of conversation in the apartment above, which is MADOLE's apartment. He understood that MADOLE's door was closed and he said that he did not see anyone in the apartment. He heard one voice which seemed to carry above all the others and which made statements such as "We did a good job down there in the South". From the tenor of the conversation [redacted] concluded that this one individual was seeking credit for some part he played in a bombing down South. This individual also made the statement that "When they did a bombing" no persons were hurt which was unlike the type of bombings the Jews did wherein persons were injured.

b6
b7C

NY 44-608

[redacted] cannot recall with any greater detail the exact wording of this conversation but he received the clear implication that the man was claiming some sort of credit in connection with a bombing. He stated further that the man said that he was arrested but it was alright since his lawyer would get him out of it. [redacted] did not observe this individual nor is he sure that he could identify the voice again.

b6
b7C

It is to be noted that [redacted] the United Nordic Confederation, was interviewed at the NYO on 9/22/58, by SAS [redacted] in the company of [redacted] both of whom appeared at the NYO at their own request. During the above interview, [redacted] referred to his arrest [redacted] the United Nordic Confederation in connection with a bank robbery allegedly plotted by the above mentioned organization in Queens, NY, in January, 1958.

b6
b7C

[redacted] stated at this time that he had nothing to do with that bank robbery and in fact that all charges in connection with it had been "trumped up by the police" and that his lawyer would "get me out of these charges". It is further noted that during this interview [redacted] advised that he had been present at several meetings at the apartment of JAMES MADOLE at 10 West 90th Street, and in fact intended to attend a meeting scheduled at a future date in MADOLE's apartment.

b6
b7C

During the interview of [redacted] he described an individual who was going to a meeting at MADOLE's apartment and whom he encountered in the hallway at 10 West 90th Street. The general description of this individual closely fits that of [redacted]. It is also to be noted that [redacted] has previously informed the NYO that his [redacted] is mentally unstable, frequently lies, and tells great exaggerations.

and [redacted] . In view of the non-specific nature of the information furnished by [redacted] and in view of the fact that he has not seen the individual in question it would not appear that further investigation would be fruitful in this matter. As is pointed out above, there is a strong possibility that the individual in question is [redacted] who/a known mental case given to exaggerations.

THE UNTOLD FACTS BEHIND THE SYNAGOGUE BOMBINGS.

James H. Madole.

The dynamiting of a Jewish synagogue in Atlanta, Georgia on October 12, 1958 has set off a chain reaction extending from President Eisenhower in the White House to five unemployed American nationalists who are being legally crucified by Federal and state authorities seeking to appease the Jewish vote prior to the forthcoming Nov. elections. An unprecedented wave of publicity has swept the entire United States calling for the suppression of all "hate literature" (meaning any publication which has the temerity to criticize the un-American policies and activities of the Jew and his multi-million dollar propaganda agencies). Candidates for political office throughout the nation have outdone themselves in heaping abuse and vilification on the heads of Governors Faubus and Almond because of their courageous stand in opposing enforced racial integration as dictated by the Jewish dominated political appointees on the Supreme Court. These politicians, in order to gain Jewish gold and votes for their respective parties, have sought to equate the bombings with the anti-integration policies of Governors Faubus and Almond.

Lets analyze the facts. Have American nationalists actually resorted to force and violence in order to further their struggle against rising Jewish power in America? which group of people has gained the most from the veritable epidemic of bombings and dynamitings which culminated in the Atlanta explosion of October 12, 1958? Lets examine all the facts in the case and then seek to reach a sound conclusion.

At least seven bombings of schools and synagogues, all of which demonstrated the handiwork of an expert dynamiter as well as perfect timing, have taken place in various parts of the South during the last year. Until the recent Atlanta bombing not a single clue had been turned up concerning the identity of the mysterious bombers. These acts of violence, highly reminiscent of the terrorist activities of the Irgun Zvai Leumi and the Stern Gang in Palestine during the British Mandate, were allegedly carried out by a mysterious, secret organization known as the "CONFEDERATE UNDERGROUND". According to the Jewish Press, the "Confederate Underground" is supposedly composed of fanatical segregationists and violent anti-Semites. Strangely enough, however, neither the local authorities nor the FBI have been able to uncover the slightest clue to the identity of this mysterious and highly elusive group of conspirators. The FBI, the Anti-Defamation League of B'nai B'rith and the local police in Southern communities report that their agents have infiltrated every segregationist and anti-Semitic organization in the areas where bombings have taken place BUT THEY ALL ADMIT THAT NO ILLEGAL ACTIVITIES OR "CONFEDERATE UNDERGROUND" HAVE BEEN DISCOVERED.

Apparently the Jewish press was perfectly content to use the dynamitings in Clinton, Nashville, Jacksonville, Miami and other Southern cities as a means of arousing hostility toward those Southern leaders who dared to speak out against the tyranny of the Supreme Court. In each case there was a brief spurt of publicity which sought mainly to rally the support of the Catholic and Protestant clergy behind the fundamentally Jewish-sponsored drive for complete racial integration throughout the American South. Clergymen were told that "racial bigots" who blew up Jewish synagogues today would certainly bomb Christian Churches tomorrow.

Despite this, however, no concerted effort was demanded by either the Jewish press or the major Jewish organizations to apprehend the perpetrators of these deeds until the advent of the Atlanta bombing on October 12, 1958. WHY? Was it strictly coincidence that this latest dynamiting in Atlanta just happened to coincide with the most decisive period of political campaigning prior to the November elections? Was it also coincidence that the JOINT DEFENSE APPEAL, the fund-raising service for the "JEWISH defense agencies" known as the ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH and the American Jewish Committee, should choose this exact time to solicit \$5,600,000 from their fellow-Jews to combat alleged "anti-Semitism"? To prove our point we quote from the "NEW YORK HERALD TRIBUNE" of October 23, 1958 an article by reporter Judith Chris-

"Reports of bomb-threats and the wave of violence, bombings and "hate" literature around the country brought pledges of increased contributions to support the Joint Defense Appeal of the American Jewish Committee and the Anti-Defamation League of B'nai B'rith. At the JDA dinner at the Waldorf-Astoria last night, representatives from 19 cities promised increased allocations and three delegates from the largest communities pledged emergency funds to meet the organization's \$5,600,000 annual goal.

What about the \$200,000 worth of damage perpetrated on the synagogue erected by the Jews of Atlanta? Surely the Jews would have nothing to gain by blowing up their own house of worship. Lets study two very interesting news items concerning this matter. The first article is found on page 12 of the "NATIONAL JEWISH POST" of Oct. 17, 1958. The brief article is entitled, "BLAST PRECEDED DRIVE FOR FUNDS BY ONE DAY"

"Here are some interesting sidelights on the bombing of the Atlanta Temple...A campaign to raise \$750,000 for additional educational facilities at the Temple was to have been launched officially on Monday--THE DAY AFTER THE BOMBING. A wedding was scheduled to be held in the Temple the afternoon following the bombing. IT WAS SCHEDULED ELSE-HERE."

The second item of interest appears on page 1 of the October 31, 1958 edition of the "NATIONAL JEWISH POST" under the caption, "BOMBED TEMPLE TRIES TO STOP FLOW OF GIFTS":

"THE bombed-out Reform Synagogue in Atlanta tried unsuccessfully last week to stem the flow of gifts, small and large, coming forward insistently and spontaneously. An avalanche of offers to help the temple with monetary gifts were discouraged by temple officials, WHO EXPLAINED THAT THE LOSS WAS COVERED BY INSURANCE."

In the very same issue of the "NATIONAL JEWISH POST" under the caption, "BRISCOE MEETING IN PEORIA HELD DESPITE TEMPLE BOMBING", on page 12, we find the following interesting item: "The scheduled appearance here of Robert Briscoe, Jewish former mayor of Dublin, went on without incident only a few hours following the bombing of Temple Anshel Emeth. THE MEETING WAS IN BEHALF OF ISRAEL BONDS. Rabbi Joseph Ginsburg said the blast damage was very minor, but added: "The moral and spiritual damage to our American way of life can be more expensive and far-reaching than the actual physical damage to the church".

Quite obviously the Jews were the only group to gain, both financially and politically, from the wave of dynamitings. No sane American nationalist could expect anything but the intervention of federal authorities and a veritable tidal wave of investigations and unfavorable publicity in the national press. The five chief victims of this federal inquisition in Atlanta have lost their meagre jobs as city clerks and truck drivers. At least one of these men, Chester Griffin, was kept awake and under constant questioning for FIVE days and nights while Federal and local authorities sought to force a confession from him. Lie detector tests were administered to these men but obviously proved negative SINCE LOCAL POLICE REFUSED TO DIVULGE THEIR FINDINGS. Eisenhower and the Republican Party chiefs have put pressure on the FBI demanding that a satisfactory scapegoat be found in order to appease the Jewish voter.

prior to the November elections. COOPERATING IN THIS INFAMOUS SCHEME are certain notoriously pro-Jewish officials of the city of Atlanta. These political traitors have been kept in power for the last 20 years by the wealthy Jewish community of Atlanta. THE JEWS INTEND THESE OFFICIALS TO OPEN THE DOORS OF ATLANTA TO RACIAL INTEGRATION ONCE RESISTANCE HAS BEEN BROKEN DOWN IN VIRGINIA AND ARKANSAS. THEIR NAMES ARE MAYOR WILLIAM E. HARTSFIELD, POLICE CHIEF HERBERT JENKINS AND PROSECUTOR PAUL WEBB. They are part of the Jewish Fifth Column in the Deep South AND SHOULD BE RETIRED FROM PUBLIC OFFICE. THEIR TACTICS remind us of the Soviet Secret Police. We believe that once the elections are over these five Atlanta patriots will be released for lack of evidence.

In contrast to these five martyrs, none of whom has ever handled dynamite and all of whom were already under indictment for peacefully picketing the offices of Ralph McGill's pro-Jewish, "ATLANTA CONSTITUTION", what did the big Jewish organizations have to gain from these bombings? Let us carefully enumerate what they stood to gain:

1. The wave of bombings would cause national opinion to turn against the "massive resistance" of Governor Faubus of Arkansas and Governor Almond of Virginia and South. This move would bring about an open split between conservative and radical forces in the South. This move could split wide open the forces which are resisting the drive for racial integration sponsored by all Jewish organizations in the United States. Ralph McGill of the "ATLANTA CONSTITUTION", Herbert Lehman and many others are seeking to equate the dynamitings with the resistance to Supreme Court edicts by the two governors.
2. Because of the bombings pro-Jewish legislators are seeking to pass a law which would suppress all so-called "hate literature" by refusing publishers who dare to criticize the un-American policies of the Jew and his organizations their right to use the United States mail. THEY ARE SEEKING TO MAKE CRITICISM OF THE JEW OR HIS POLICIES A CRIME PUNISHABLE BY LAW. Such a law exists at present in the Soviet Union.
3. The bombings seek to cast disrepute on all individuals or groups which dare to oppose the Jewish-sponsored policy of breaking down all social, cultural, economic and sexual barriers between the races in America. Despite this the Jews are appropriating huge sums of money for the purpose of setting up segregated Jewish Schools wherein the doctrines of Jewish racial exclusiveness and fanatical Zionism are taught daily. Apparently racial integration is only good for White Gentiles. We see the results in a country like Brazil where a Jewish president, Joscélino Kubitschek, rules over a mongrelized population of half-castes. Nations like Brazil, India and the Caribbean Islands, made up of illiterate half-castes, are easily exploited by a parasitic race of merchants like the Jews.
4. The bombings have greatly increased Jewish contributions to their so-called, "defense agencies," the anti-Defamation League and the American Jewish Committee.
5. To bind together the ranks of American Jewry in the South. These Jews personally support racial integration for the Gentiles but they fear economic boycott and social ostracism by their Southern Gentile neighbors.

The attempt by Jewish leaders to undermine Governors Faubus and Almond by saddling these anti-integrationist leaders with responsibility for the Southern bombings can be seen in an article captioned, "SPREADING BIAS CITED BY LEHMAN", written by the Jewish reporter, Paul Tobenkin, for the "NEW YORK HERALD TRIBUNE":

"Former Senator Herbert Lehman said yesterday that those who advocate resistance to the law must share the moral responsibility for recent bombings and vandalism against synagogues with the actual culprits. Mr. Lehman, characterizing civil rights as 'the

most critical domestic problem we have", declared that "the rights of every American hang on the outcome". He said: "The recent incidents of terror, violence and vandalism against Jewish synagogues show the true nature of some of the extremist elements opposing civil rights. Whoever the immediate culprits are in these bombings, and I trust they will be brought to justice, the moral responsibility for these acts must be shared not only by all those who preach racial hate and discrimination, but by all who advocate overt resistance, massive or otherwise, to the rule of law."

Mr. Lehman fails to point out that the "LAW OF THE LAND" as dictated by Earl Warren's Supreme Court is actually the "LAW OF THE JEW". Our great nation was founded in a bloody revolution against unjust laws in whose formulation the American people had no say. Mr. Warren is a student of Talmudic Law who graduated with honors from the Jewish Theological Seminary under the tutelage of Rabbi Louis Finkelstein. WE STRONGLY SUGGEST THAT EARL WARREN AND HIS EIGHT COMRADES MOVE THEIR SUPREME COURT TO ISRAEL WHERE THE KOSHER STENCH EMANATING FROM ITS DECISIONS WILL BE LESS NOTICEABLE

To prove that American Jewry and its organizations are the financial and intellectual backbone of the movement for racial integration we shall point out some of their recent statements and activities: (Quoted from article captioned, "Leading NATIONAL JEWISH ORGANIZATION CRITICIZES IKE FOR FAILING TO LEAD ANTI-SEGREGATION FIGHT", appearing on pg. 2 of "NATIONAL JEWISH POST" of Oct. 10, 1958):

"President Dwight D. Eisenhower was criticized this week by a leading national Jewish organization for failing to provide leadership and to employ the prestige of his office to support the Supreme Court's ruling against segregation. The National Community Relations Advisory Council (NCRAC) in a sixth annual joint program plan for Jewish Community relations challenged the President for not offering the leadership that might have encouraged many persons in the South interested in orderly compliance to unite effectively to achieve it."

The "AMERICAN EXAMINER" of October 16, 1958, pg. 6, carries further details of the NCRAC Conference as follows: "Intervention of state authority to prevent local school districts from desegregating is assailed in the statement. The civil liberties of all Americans are threatened, the statement declares, by the efforts in some Southern states to outlaw the National Association For The Advancement of Colored People (NAACP)...The statement stresses the injustices and dangers in housing and discrimination. "There is a manifestly great and urgent need," the statement says in this regard, "to bring the attitudes of the Jewish community as a whole more closely into conformity with the principles of equality to which it is committed through its agencies and even greater need for voluntary action by religious, civic, racial, ethnic and other groups to develop effective programs FOR MOVING TOWARD ACCEPTANCE OF RACIALLY INTEGRATED NEIGHBORHOODS."

Thus speaks the NCRAC which represents six major Jewish organizations and 43 Jewish community councils in 43 different American cities and towns. We find that all supposedly Negro organizations agitating for racial integration are dominated by Jewish interests. Thus the infamous NAACP is controlled by the Jew, Arthur Spingarn, the NY State Committee Against Discrimination (SCAD) is controlled by the Jew, Charles Abrams and the National Urban League is controlled by the Jew, Joseph Lewis, The former president of the Urban League was the Jew, Theodore Kheel.

Let us examine briefly how these Jewish organizations have successfully brainwashed our American youth by gaining complete control of both the clergy and the public school system. The following excerpts are taken from the REPORT OF THE 44th ANNUAL MEETING OF THE AMERICAN JEWISH COMMITTEE IN 1951: (From PAGE 61) "Our primary objective, therefore, must be a definite program of education in human relations, or what we call "intergroup education". Because we must change human attitudes toward Jews and others, and in order to do so, we must promote a better and

fuller understanding of all peoples and all groups, including Jews, and inculcate a respect for differences and a conviction that difference does not imply inferiority." (FROM PAGES 63-64) "We must also, in the coming year, implement the recommendations that came out of the White House Conference on Children and Youth...Its object is to examine the situation in America as it related to children and youth during the previous decade and to chart a course for the next 10 years...When our cooperation was invited, we proposed to the architects of the Conference program that the relation of prejudice and discrimination to the personality health of children be made a major item in the discussions...An interesting and important by-product of this is worth noting, namely, that every time the word "church" was mentioned in the Conference report, the word "synagogue" was bracketed with it; and "Christianity" was never mentioned alone; it was always the "Judaic-Christian" civilization." (FROM PAGES 69-70) "We have also been able to make some decided advances in the elimination of hostile reference in the Christian textbooks and lesson books relating to the Crucifixion story and to modern Jewish life. You are unquestionably aware of the profound and deleterious influence that such references have had in the past on the impressionable minds of children. Twelve years of work with Protestant books and lesson materials have yielded major dividends. Today, 85% of the non-fundamentalist Protestant texts are free of negative references to the Jew...We have made considerable progress in providing Catholic parochial and teacher-training schools with an understanding of Jewish religious history and Jewish cultural contributions to America. In New York City we (the American Jewish Committee are helping edit an intercultural syllabus which WILL BE USED IN THE CATHOLIC PAROCHIAL SCHOOLS."

The above statements were taken verbatim from the 1951 REPORT of the American Jewish Committee to its financial contributors. Those responsible for such a diabolically conceived plan to brainwash America's children would certainly be able to appreciate the propaganda value in demolishing a few well insured Jewish temples in order to capture the sympathy of the entire American public for the cause of racial integration.

The New York Office of this Bureau advised on November 15, 1958, that a "racist forum" was held at Steinway Hall, New York City, on November 14, 1958, which was attended by approximately 75 individuals. The main speaker of the evening was James Madole, leader of the National Renaissance Party (NRP), who spoke on a general theme of anti-Semitism. He described President Eisenhower as a tool for the Jews in the United States and hinted that the recent bombing of the Jewish synagogue in Atlanta, Georgia, was a plot by the Jews to raise money. He described the arrest of five individuals in connection with the above bombing as a sham. Literature prepared by Madole and the NRP was distributed and sold at this meeting. A collection was taken up which amounted to approximately \$25.

The NRP is a one-man organization headed by James Madole with headquarters in New York City, and is an anti-Semitic, anti-Negro, and pro-Arab organization.

Informants advise Racist Forum held at Steinway Hall, NYC, Friday night on 11/14/58, from 8:15 p.m. to 10:45 p.m. Approximately 75 people attended, most of whom were of the "Truth Seeker" following. Yorkville "hoodlum" following of JAMES MADOLE apparently did not attend. Main speaker was JAMES MADOLE, leader of National Renaissance Party. MADOLE spoke for about two hours on his familiar theme of anti-Semitism. MADOLE described President EISENHOWER as a tool for the Jews in the US. Also hinted that the bombing of the Jewish synagogue in Atlanta, Georgia, was a plot by the Jews to raise money. Called the arrest of five persons in connection with this bombing a sham. MADOLE also claimed that a corporate form of government was inevitable in the US. Literature of MADOLE and National Renaissance Party passed out and sold at meeting. A collection was taken at the meeting and it is believed about \$25 was obtained. No unusual incidents.

The above is for information of the Bureau.

WESTBROOK to one Mr. MADOLE of the National Renaissance Party. These letters are as follows:

1. Undated letter from CHARLES WESTBROOK to Mr. MADOLE, thanking him for LeBlanc pamphlets. Letter indicates WESTBROOK was National Renaissance Party, Georgia Chairman, and that he was distributing pamphlets to his mailing list and also to the local libraries. WESTBROOK further indicated that he was working on the "STONER" group (apparently referring to J. B. STONER, leader of the Christian Anti-Jewish Party); however, indicated unable to make contact with them, nor had he been able to obtain or learn anything about membership of the Christian Anti-Jewish Party. WESTBROOK indicates that when STONER makes another speech in Chattanooga, Tennessee, he will photograph members identified by their arm band, and will attempt to identify those persons and make contact by that means. WESTBROOK also indicates that one [redacted] has assured WESTBROOK of support toward starting a party branch in New Orleans and instructed WESTBROOK to write to one [redacted]. WESTBROOK also requests a bulletin on racial segregation when it is printed, and indicates that he forwarded samples of literature distributed by various Southern groups on segregation.

2. Letter of CHARLES WESTBROOK dated February 13, 1955, addressed to JAMES H. MADOLE, National Director of the National Renaissance Party. In this letter WESTBROOK identifies himself as the Georgia Party Chairman of the National Renaissance Party - Elite Guard. WESTBROOK states that he has been in contact with [redacted]; however, contemplates discontinuing further contact with [redacted] because [redacted] attempted to win WESTBROOK away from the National Renaissance Party, so that he might join the Christian Anti-Jewish Party. [redacted] according to WESTBROOK, indicated that WESTBROOK belonged to another political party which has no working agreement with the Arch Leader of the Christian Anti-Jewish Party, therefore, he cannot give him any information. Secondly, [redacted] indicated to WESTBROOK that he has full knowledge of the National Renaissance Party's official policy, and that it is too weak on the Jewish problem. WESTBROOK comments that if [redacted] has full knowledge of the National Renaissance Party's basic problem, he must not understand articles in the basic program, as they are as strong as you can get on the Jewish problem. WESTBROOK stated that [redacted]

only wants to send all Jews to Palestine. WESTBROOK further advised that he thought the Christian Anti-Jewish Party organization just talks, and further he had never heard of this Christian Anti-Jewish Party group except for a small item in the Chattanooga paper wherein it was reported that one J. B. STONER made a speech on the Courthouse steps. WESTBROOK also indicated that he was enclosing with his letter a drawing of a pistol stock, and stated he would like to know if the elite guard has one, and if so, would it be possible for WESTBROOK to borrow it. WESTBROOK stated he was continuing to contact persons whose addresses MADOLE had previously forwarded to them.

3. Letter dated March 1, 1955, to Mr. MADOLE, which acknowledged receipt of MADOLE's letter of February 27. WESTBROOK comments regarding the difficulty in winning some of STONER's followers over to "us", and that he desired instructions on the basic methods to go about this conversion. WESTBROOK indicated that MADOLE thought STONER's followers could be used for the common good of the National Renaissance Party, just as well as the Christian Anti-Jewish Party. WESTBROOK further advised that [redacted] had indicated they had membership of the Christian Anti-Jewish Party in Atlanta, Chattanooga, and Birmingham areas. WESTBROOK indicates that he has corresponded with a [redacted] in Pennsylvania on two occasions, and that she had informed him she was planning on working with a group in Philadelphia. [redacted] has contacted WESTBROOK, and WESTBROOK is attempting to contact [redacted] in New Orleans. [redacted] has promised WESTBROOK his support, and if he can obtain the assistance of [redacted] should not find it too difficult to establish a New Orleans Branch of the National Renaissance Party. Further, WESTBROOK requested the Southern Chairman's name and address, of the National Renaissance Party.

4. Letter dated May 13, 1955, to Mr. MADOLE. WESTBROOK, in this letter, states that he can report progress toward organizing; also indicates that he is in contact with the Southern Nationalists whose addresses were previously furnished to him by MADOLE. Three of these addresses were located in Atlanta, Georgia. WESTBROOK indicates that he still has been unable to contact members of STONER's Christian Anti-Jewish Party. WESTBROOK requested from MADOLE books on wire tapping, and a list of the

equipment necessary for tapping phone wires. WESTBROOK inquires regarding one [REDACTED]

The Southern Regional Office of the Anti-Deformation League also made available the following background regarding CHARLES DAVID WESTBROOK. He was born March 15, 1934, married, and lives with his wife in a modest section. In early 1955, WESTBROOK broke into a local school, tore down pictures, threw ink and oil over the walls and desks, tore down the Georgia and American flags, disfigured and destroyed them, tore various pages from the Bible in the school, and in general did much damage to the property. In 1955, his reputation was not considered good, nor was his work record satisfactory; however, he gains his livelihood through the steady employment of his wife, who works in a textile mill.

On August 26, 1958, [redacted] advised SA [redacted] (original source, Atlanta file [redacted]), that one [redacted] had advised him that GERALD SMITH, who resides on the West Coast of the United States, was actively engaged in raising money on the West Coast which was to be utilized for the defense for [redacted] and others who were arrested by the Atlanta, Georgia, Police Department, for picketing activities of the Atlanta Journal, an Atlanta, Georgia daily newspaper. The Atlanta Office of the FBI on October 23, 1958, received an undressed letter in an envelope which letter was captioned "Atlanta Scandal". The contents of this paper purportedly were written by GERALD L. K. SMITH, and states as follows:

"A very disturbing report has come to my desk. Five young patriots in the State of Georgia decided that they had their stomachs full of Jew-created, Jew-slanted news stories concerning what is going on in the world. Two of the worst newspapers in the United States are in the City of Atlanta. They do not reflect the Southern tradition. It is believed by many keen observers that both of these journals are manipulated by people who do not have the best interests of the South at heart.

"These five young men, representing a body of patriots, decided to picket these newspapers with signs protesting Jewish influence. They were picked up, railroaded, and sentenced to 30 days in jail. I have the names and addresses of the young men, but I am not going to give them to the public because I do not want them to be the victims of increased persecution. It is my understanding that they were released under bond and are appealing their cases. We propose to go into the matter thoroughly and if the situation is what it seems to be, we shall advise our friends to come to their aid, comfort and encouragement of these young men who have only been denied their civil liberties, but have become the victims of Jew-controlled tyranny.

AT 62-1673

"Atlanta is a bad city. It has many bad people in it. The politicians in that city are inclined to be the puppets of the secret Jewish machine. Do not judge the State of Georgia by what goes on in the City of Atlanta. The politicians of Atlanta have always fought the Talmadges and the people who have come to the defense of Southern tradition. Very frequently the Negro politicians of Atlanta are under the direct manipulation of New York Jews as well as Atlanta Jews.

Enclosed with Chicago's letter was a blank memorandum regarding the American Humane Society, and contents of the memorandum indicate the organization ostensibly had as its purpose a Prevention of Cruelty to Animals. Inquiry in 1956 failed to reflect little, if any, activity toward this organization's stated goal; however, it was noted that of a group of individuals carried on the letterhead stationery of this organization identified as Advisory Board Directors, a number had previous fascist group activities or hate type organization activities. MADOLE was main speaker at a "Racist Forum" held in NYC, 11/14/58. He insinuated in his speech that the Jews in the U.S. engineered bombings of their synagogues for financial gain. PUBLICATIONS

T-2, on November 20, 1958, made available the September - October, 1958 issue of the NRP Bulletin entitled

NY 105-6112

"The Untold Facts Behind The Synagogue Bombings" by JAMES MADOLE. The masthead of this Bulletin states that it is the "Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice". In this issue of the Bulletin, MADOLE states that the dynamiting of a Jewish synagogue in Atlanta, Georgia, on October 12, 1958, prompted American politicians to step into this racial picture and to suppress what has been called "hate literature". MADOLE states that these politicians, "in order to gain Jewish gold and votes" have sought to "equate the bombings with the anti-integration policies of Governors Faubus and Almond". MADOLE charges that the "Jewish press" used the dynamitings in the South as a means of arousing hostility towards southern leaders who threatened to speak out against integration. As a result of these bombings, MADOLE charges the Jews were able to institute a campaign to raise some \$750,000.00 to restore the temple in Atlanta.

GENERAL ACTIVITIES

A. "Racist Forum"

T-3, on November 15, 1958, furnished information concerning a "Racist Forum" which was held at Steinway Hall, 113 West 57th Street, New York City, on Friday evening, November 14, 1958. This meeting was sponsored by an Atheistic publication called "The Truth Seeker" and was to feature JAMES MADOLE, leader of the NRP, as the main speaker. About seventh-five people attended the meeting, most of whom appeared to be of the "Truth Seeker followers". MADOLE spoke for about two hours on the general topic of anti-Semitism. He described President EISENHOWER as a tool of the Jews in the United States. He insinuated that the

NEW YORK

NY 105-6112

bombing of the Jewish synagogues in Atlanta, Georgia, was a plot by the Jews to raise money and to curry political support. He called the arrest of five people in connection with these bombings "a sham". MADOLE also claimed that the present form of government in the United States should be replaced by a "corporate form of government" and that this step was really inevitable. At this meeting, JOSEPH ARUDEN, a follower and close associate of MADOLE, was passing out literature which bore the stamp of the NRP and was selling copies of the NRP Bulletin. According to information furnished by this informant, these "Racist Forums" were to be held in the future on a monthly basis. It is informant's opinion that MADOLE prefers to have the "Truth Seeker" arrange the meetings since in that way he can save some of his NRP money for other things and still have a public meeting place. N.Y.

III. STATED AIMS AND PURPOSES OF THE NRP

The September - October, 1958 issue of the "National Renaissance Bulletin" contains the following in its masthead:

"Official organ of the NRP devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

As previously set out in another section of this report NY T-1 had advised on December 17, 1958, that a meeting of the Truth Seeker group was held at Steinway Hall, New York City, on December 12, 1958. The principal speaker was one [redacted] whose real name is [redacted] age [redacted], and [redacted] pounds. This source also stated that [redacted] also spoke briefly. Also MADOLE had stated that he was having difficulties with CHARLES SMITH, who runs the Truth Seeker group and that he might not continue to attend SMITH's meetings but might hold his own meetings of the NRP.

b6
b7C

NY 105-6112

NY T-1, as set out previously in this report, advised on November 3, 1958, that JAMES MADOLE held meetings of the NRP at his apartment, 10 West 90th Street, New York City, on October 23 and 30, 1958.

On November 20, 1958, NY T-3 advised that a meeting of the Racist Forum was held on November 14, 1958, at Steinway Hall, New York City, at which JAMES MADOLE of the NRP was the principal speaker. He spoke as scheduled about the Jews. He mentioned being at a meeting which was attended by three Arabs and he held conversation with the Arabs concerning the Jewish question. During the course of the speech, MADOLE spoke of the recent bombings of Jewish temples in Atlanta which he attributed to the Jews themselves for political and financial gain. He also touched briefly on the bombing in Peoria, and laughed at the crudeness of the stovepipe bomb used in that instance. Toward the end of his talk MADOLE became quite emotional when he began talking about democracy and totalitarianism. This source stated that it seems that MADOLE did not think very much of our democratic way of life.

B. Literature

NY T-1 on December 17, 1958, advised that JAMES MADOLE had no new Arab literature at present but expects to get some in a few days. He stated that MADOLE indicated that an Iraqi official had received the August, 1958 "National Renaissance Bulletin" from MADOLE, which pertained to Zionist imperialism in Western Germany, which the Iraqi wished to reprint and send to Iraq for distribution.

NY 105-6112

MADOLE also indicated that he had ordered 500 additional copies of his current bulletin, dealing with the Atlanta bombing, printed at the offices of "Common Sense". MADOLE further indicated that he had received a letter from [redacted] who is an officer in the National States Rights Party (NSRP), and who publishes the "Thunderbolt", NSRP paper. He stated that [redacted] had requested MADOLE to carry "Thunderbolt" material in the "National Renaissance Bulletin". This source added that MADOLE further indicated that [redacted] in a subsequent letter to MADOLE indicated that he was discontinuing his connections with the NSRP, and planned to visit New York City and wanted to talk with MADOLE about his actively affiliating with MADOLE and MADOLE's bulletin work. MADOLE also indicated that he had received a letter from LINCOLN ROCKWELL of the NSRP, who stated he had sent a box of literature to MADOLE to distribute. One of these leaflets from ROCKWELL was entitled, "Program of the World Union of Free Enterprise of National Socialists" and had swastikas in the upper corners.

b6
b7c

NY T-1 advised on November 25, 1958, that MADOLE had ordered 1,000 copies of a cartoon concerning Negroes and whites which he has received orders for from the south. NY T-2 stated that none of these cartoons would be distributed locally and this item was used several times previously by MADOLE and CONDE MC GINLEY, Editor of "Common Sense". This informant stated that MC GINLEY would print these leaflets for \$10.00 or \$12.00 and MADOLE would sell them twenty for \$1.00. MADOLE had also received 5,000 copies of a leaflet entitled, "Who Is The Enemy" and had placed the stamp of the NRP on it.

N.Y.
N.J.

NY 105-6112

NY T-1 advised on November 14, 1958, that JAMES MADOLE had recently received a large box of literature containing several thousand copies of pamphlets from [REDACTED]

b6
b7C

NY T-1 advised on December 19, 1958, that JAMES MADOLE was currently distributing, through NRP channels, a leaflet entitled, "Will the Racial Integration Destroy North American Civilization". This leaflet bore the name National Renaissance Party, 10 West 90th Street, New York 24, New York, and contained anti-Negro information.

On November 17, 1958, a [REDACTED] by letter, furnished pieces of literature which bore the stamp of the NRP, 10 West 90th Street, New York 24, New York. [REDACTED] stated that she had recently received the literature. One leaflet was entitled, "Who Is The Real Enemy" which deals with anti-Jewish information. Another leaflet is entitled, "Is Anti-Jewish Feeling Justified By World History", which purports to set out information proving "conclusively that the Jews more than any other racial or religious group have been reviled, hated and driven out of nearly every gentile nation, both civilized and uncivilized, both Christian and Moslem, during the period of recorded history". Another leaflet, entitled, "Christian Race Relations Must Be Natural Not Forced" by Doctor L. NELSON BELL, M.D., Associate Editor, Southern Presbyterian Journal, Asheville, North Carolina. This also contains the stamp of the NRP and contains information written by Doctor BELL in which he takes a stand which "will not please extremists on either side of this controversial matter". He states in this article that "within the scope of these rights prescribed by law every American citizen is equal. For that reason it is futile to defend any law which restricts the legal rights of any individual or group of individuals."

APPENDIX

"COMMON SENSE"

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.
